

Please do not allow LPFM stations to expand. Current FM stations such as K-LOVE will be adversely affected. K-LOVE has enriched my life by providing great Christian music and encouragement. Families can enjoy the music together without worrying about embarrassing or negative lyric. It promotes good citizenship and is staffed by pastors who pray for those who call in with problems. It gives hope to the hopeless, indeed lives have been changed and saved through K-LOVE. Please allow FM stations like K-LOVE to continue to broadcast.
